Homily

Worship Leader: Robert Fulgham wrote... "Everything we need to know, we learned in Kindergarten." Most of what we really need to know about how to live, and what to do, we learned in Kindergarten. Wisdom is not at the top of the graduate school mountain, but there in the sandbox. These are the things that we learned:

Share everything.

Play fair.

Don't hit people.

Put things back where you found them.

Clean up your own mess.

Don't take things that aren't yours.

Say you're sorry when you hurt somebody.

Wash your hands before you eat.

Flush.

Warm cookies and cold milk are good for you.

Live a balanced life.

Learn some and think some and think some and draw and paint and sing and dance and play and work every day some.

Take a nap every afternoon.

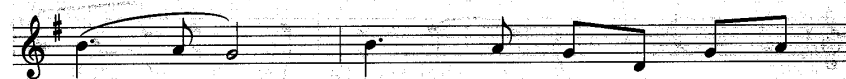

When you go out into the world, watch out for traffic, hold hands and stick together.

Be aware of Wonder.
